

## EXECUTIVE BOARDROOM

### SPACE DESCRIPTION

The Executive Boardroom is a conference room large enough to accommodate the Service Area's full cabinet. Boardroom design shall be driven by the number of intended occupants, location in the building, and conformity to Ivy Tech values and character. These spaces should also accommodate food service with counter space, power outlets, and supply storage.

### TECHNOLOGY

These spaces shall have easy-to-use and reliable virtual meeting capabilities for seamless, distraction-free gatherings.

Provide a Conference TV, web cam, sound bar, microphone, and wireless technology.

### MISC.

Provide separate HVAC zone with thermostat/sensor.
