

Gloria's Garden Sponsorship Opportunities

Gloria's Garden began as a small box garden project in 2016, funded initially by the Circle of Ivy. The garden first began in the backyard of a home acquired by the College. Campus volunteers tended the garden and would share produce that was grown with the students, similar to how Gloria would share her home garden produce. Eventually, the house was razed and the lot leveled with the vision that the garden would expand into a space for learning, sharing, and embracing peaceful reflection. In 2022, the Circle of Ivy again funded the garden in partnership with the College as plans were finalized to build out the Waystation and walkways. In 2023, the garden came to life once again with a thriving produce harvest, which was made available for students in the Lamkin Center for Student Success.

Sponsor a Brick

- Brick Sponsorships will be laid in the circle surrounding the Monarch Waystation. Installations will be done in Fall and Spring.
