

## HUDDLE ROOM

### SPACE DESCRIPTION

Huddle Rooms are enclosed rooms of approximately 120 SF designed for 2-4 users. They are intended to promote collaboration between parties, providing a semi-private space for conversation while mitigating sound transmission to the open office area. Huddle Rooms shall include a table and chairs for collaboration, whiteboard with marker tray, conference capability and a panic system in place for emergencies.

### TECHNOLOGY

Power and data in floor outlets, Conference TV, web cam, sound bar, and microphone.

Provide power on (3) walls.

### ACCESSORIES AND EQUIPMENT

Whiteboard with marker tray.
