

# Brandon Gonzales

Department Chair for Advanced Automation and Robotics Technology

Brandon Gonzales has been with Ivy Tech since 2019, in the position of Department Chair of Industrial Technology and Advanced Automation. He graduated with a Bachelor's Degree from East Coast Polytechnic Institute in Electronics Engineering Technology and a Master's Degree from Columbia Southern University in Occupational Safety and Health. Career highlights include four years of service in the US Navy, four years as a controls engineer at TS Tech Indiana, six years as a facilities engineering specialist at Ball State University, and his current position at Ivy Tech. In addition to Brandon's position at Ivy Tech, he has served, and is currently serving in the Air National Guard. He has two children, BobbieRae and Zaiden, and is involved in several coaching activities including soccer and baseball. Almost all of his spare time includes spending time with his kids or fishing.
