

WORK STATION

SPACE DESCRIPTION

The Work Station is a basic building block of the open office suite. This is a standard single person cubicle, 6'-0" x 7'-0" clear interior space, with a sit-stand desk. Cubicle features such as height, storage, colors, etc. may be selected based on department needs and preferences.

A minimum 3' clear path of travel is required between cubicles.

Provide a lockable cabinet with coat hook at each cubicle.

****NOTE:** Any large projects or large furniture orders shall be approved by Standard Process of Facilities & Capital Planning Department

TECHNOLOGY

Provide power and data for a laptop computer, 2 monitors and phone for each cubicle.

CASEWORK

Lockable cabinet with coat hook.

FURNITURE

1 sit and stand desk.
