

The Nightingale Pledge

"I solemnly pledge, in the presence of this assembly,
to faithfully practice my profession of nursing. I will
do all in my power to make and maintain the
highest standards and practices of my profession.

I will hold in confidence all personal matters
committed to
my keeping in the practice of my calling. I will assist
the physician in his work and will devote myself to
the welfare
of my patients, my family, and my community.

I will endeavor to fulfill my rights and privileges as a
good citizen and take my share of responsibility in
promoting the health and welfare of the community.

I will constantly endeavor to increase my knowledge
and skills in nursing and to use them wisely. I will
zealously seek to nurse those who are ill wherever
they may be and whenever they are in need.

I will be active in assisting others in safeguarding
and promoting the health and happiness of
mankind."
